# Above the Clouds: Status Culture of the Modern Japanese Nobility

Takie Sugiyama Lebra

This most modern paintings from Japanese-born anthropologist Takie Above the Clouds: Status Culture of the Modern Japanese Nobility Sugiyama Lebra is the 1st ethnographic learn of the fashionable jap aristocracy. demonstrated as a category firstly of the Meiji period, the kazoku ranked without delay less than the emperor and his family. formally dissolved in 1947, this crew of social elites continues to be as a rule perceived as nobility. Lebra received access into this tightly knit circle and carried out multiple hundred interviews with its members. She has woven jointly a reconstructive ethnography from their lifestyles histories to create an intimate portrait of a Above the Clouds: Status Culture of the Modern Japanese Nobility distant and archaic world. As Lebra explores the tradition of the kazoku, she locations every one topic in its old context. She analyzes the evolution of prestige obstacles and the fundamental position performed by way of outsiders. But this e-book isn't really easily in regards to the elite. it's also approximately commoners and the way each one stratum mirrors the other. Revealing formerly unobserved complexities in eastern society, it additionally sheds mild at the common challenge of social stratification.

This ebook is an engaging exploration of the now-extinct 'kazoku', the japanese peerage. Lebra explores participants' perspectives in their ancestors and the effect thereof upon their self-images and the way they believe they must act as representatives of, Above the Clouds: Status Culture of the Modern Japanese Nobility in lots of cases, very nice figures in jap history. a very fascinating element for me was once the establishment of adoption for the continuance of a relatives name, anything relatively alien to the U.K.'s similar gentry and peerage families.
