i've got simply started analyzing this book, after studying the prequel 'With associates Like These'. It takes to the air years after the women meet on the sturdy girlz club. i like Billingsley variety of writing and tone. She writes the best way her characters talk. And makes the characters and conflicts relatable. Camille has lately gained a making a song festival and has received the opportunity to be in Caught Up in the Drama (Good Girlz #7) a rappers video, her mother is iffy approximately giving her permission so I see that as an upcoming clash seeing that she lied approximately all of the info to her mother to get permission. I additionally expect a clash along with her boyfriend who's jealous of her for Caught Up in the Drama (Good Girlz #7) doing this video whereas this rapper is getting consciousness rather than him. Alexis' mom and dad once more are the basis of all her Caught Up in the Drama (Good Girlz #7) anger. This time her maid who has essentially raised her is relocating domestic to Guatemala to maintain her ailing mother, so, Alexis feels empty on account that nobody is there to speak to her after Sonja leaves. to this Caught Up in the Drama (Good Girlz #7) point i have learn as much as bankruptcy four . i love this e-book to this point its similar to this primary one speedy ahead years. *UPDATE 12/8/12*I accomplished "Caught Up within the Drama (Good Girlz, #7). And this can be by way of a ways my favourite publication via ReShonda Tate Billingsley. After Camille shoots the track video with Sisco the celebrity is going instantly to her head. What as soon as was once a regular senior 12 months at Madison highschool has changed into an increased social prestige throughout Houston and the remainder of the US. along with the celebrity going to her head, she loses all attainable sense. She forgets approximately her top neighbors Alexis, Jasmine and Angel, and her boyfriend Xavier who was once very jealous of her kissing one other man in a Caught Up in the Drama (Good Girlz #7) song video. She will get a complete new cloth wardrobe and coiffure and turns into a wholly new person. She additionally starts to Caught Up in the Drama (Good Girlz #7) hold with an entire new team that encompass dancers for Sisco. The tabloids and internet sites converse badly approximately Camille and reason a ruckus at her domestic along with her mother. yet not anything turns out to faze her until eventually she loses her acquaintances and boyfriend for good. in this time

Alexis is heavily going through. again and again she demands Camille (her most sensible friend, the single one that can cheer her up) yet Camille is just too busy. On best of new girl, Tyeesha, joins the 'Good Girlz'. In Camille's head, Tyeesha is stealing her most sensible friends. However, if the celebrity had by no means long past to her head, Camille may have had a brand new pal too. After the drama turns out to die down. Alexis fabricates her abduction to get her mom and dad to forestall their divorce. yet her plan is going thoroughly flawed after they determined to proceed via with the divorce anyway. even more drama occurs whilst Camille's mother, Mrs.Harris contacts the checklist corporation to take down the track video given that Camille is less than 18. Sisco turns into so mad, yet not anything is new with that. Next, Camille makes a decision to head out with the again up dancers she met throughout the video. this can be a heavily undesirable idea, considering they've got no strong intentions. on the club, Sisco attempts to get Camille to return domestic with him yet she makes a decision she does not believe comfortable. The paparazzi snaps images and are within the tabloids through Monday whilst she will get again to school. Then, Xavier stars in a play the place he has to kiss a lady thats no longer Camille. She eventually will get a flavor of her personal medicine. eventually on the finish of the publication the entire women (Camille, Angel, and Jasmine) move on Caught Up in the Drama (Good Girlz #7) a look for Alexis who ran away to turn out Caught Up in the Drama (Good Girlz #7) some degree to her parents. Which used to be that they do not pay sufficient consciousness to her. in the event that they did they might have learned how disenchanted she used to be by means of their consistent arguing. After trying to find her they become aware of their friendship was once extra important.
