they are baa-ack! Make method for the bestselling kid's sequence of all time! With a clean new look, GOOSEBUMPS is decided to scare an entire new new release of kids. So reader beware—you're in for a scare! Everyone in Goshen Falls understands approximately bizarre Vanessa. She attire all in black. Wears black lipstick. And places spells on people. At least, that is what they say. Crystal and her brother, Cole, understand you cannot think every thing you hear. yet that used to be sooner than they made Vanessa mad. sooner than she whispered that unusual warning, "Chicken chicken." Because now whatever rather bizarre has happened. Crystal's lips have grew to become as tough as a bird's beak. And Cole has began growing to be gruesome white feathers everywhere his body. . . .

PLOT: Crystal Sanders and her more youthful brother, Cole, survive a farm Chicken Chicken (Goosebumps #53) in a small city through the identify of Goshen Falls. Their mom and dad have regularly sought after chickens of their farm and Cole and Crystal are pressured to maintain the chickens flip through turn. during this small town, there lives a peculiar girl named Vanessa who continually attire in black and, regardless of her younger appearance, is really a spinster. in line with Crystal, Vanessa is expounded to have magic powers and has used them on childrens whoever pulled pranks on her. Although, this doesn't cease Chicken Chicken (Goosebumps #53) Cole and his neighbors from pouring water in Vanessa's mailbox as a prank. The subsequent day, Crystal has to visit the marketplace to shop for her most sensible Chicken Chicken (Goosebumps #53) friend, Lucy-Ann, a CD for her upcoming birthday. whereas in town, Cole and Anthony stick to Crystal around, tossing an egg among themselves. Eventually, the egg lands on Anthony's head and the 3 start struggling with till they knock over Vanessa as she is exiting the grocery store. She falls and her grocery baggage rip open — spilling her purchases everywhere. Anthony runs off Chicken Chicken (Goosebumps #53) scared, apologizing profusely. Crystal and Cole remain as Vanessa angrily seems at them Chicken Chicken (Goosebumps #53) and whispers, "Chicken, chicken..." repeatedly. Terrified, Crystal and Cole run away. Back on the house, Cole teases Crystal approximately how one in every of their outdated classmates as soon as disenchanting Vanessa and he or she grew to become his head right into a monstrous sponge and dismiss the incident. One night, Crystal sees Vanessa coming into her room yet reveals out that Cole is de facto taking part in a prank on her. The subsequent day, Crystal and Cole locate feathers turning out to be out in their skin. they fight to pluck them off, yet cease after they observe that the feathers are forsaking bloody holes on their light skin. Cole's voice is the following to go, as his making a song voice in the course of choral perform slowly devolves into not anything yet clucks. At Lucy-Ann's birthday party, Crystal's lips flip not easy and shape right into a beak. She locks herself within the bathroom, panics, and sneaks clear of the party. At home, Crystal and Cole try and clarify to their mom and dad what's happening, yet they don't think their children. what is worse, Crystal and Cole quickly turn into petrified of the truth that their mom and dad are serving poultry at a fish fry they're throwing for the neighbors. through the barbecue, Crystal and Cole quickly locate themselves within the yard, clucking and interacting with the chickens, making them the

laughingstock of the town. Crystal's and Cole's ongoing transformation keeps to break their lives, specifically Crystal's. Her possibilities at taking part in at the university basketball crew are dashed, after creating a idiot of herself via performing like a chicken, tripping simply because her legs have been changing into not easy to bend, and without notice growing to be feathers on her legs. Crystal and Cole stopover at Anthony, considering that he will be cursed too because he was once there while the trio ran into Vanessa. Anthony tells Crystal and Cole that not anything has occurred to him after the incident, with the exception of the truth that Anthony is now a really stable golfer. On their approach home, Crystal's Chicken Chicken (Goosebumps #53) and Cole's hideous mutation into chickens worsens, as their eyes circulation to the facet in their heads, their tooth sink into their gums, their arms turn into bony like claws, their legs stiffen, and their ft flip to talons. the 2 come to a decision that the one option to holiday the spell is to make an apology to Vanessa in person. They holiday into her house, after on the grounds that Vanessa isn't home. Crystal sees a ebook called, fowl fowl Chicken, and swipes it. the 2 thoroughly go back domestic in simple terms to determine that they have got stolen a cookbook. They go back to the home and discover a actual spell book, however the spells basically achieve turning Crystal and Cole into 20-foot tall chickens and eventually child chicks. Crystal is sort of eaten through Vanessa's cat, however the cat spits her out and performs round along with her like a ball of yarn. Vanessa ultimately comes domestic and sweeps the 2 chicks up in her hand. She asks them, in the event that they just like the lesson she has taught them. She issues to her bookshelf jam-packed with books on manners, explaining how she has committed her lifestyles to etiquette and makes use of her magic to punish those that Chicken Chicken (Goosebumps #53) don't express it (which explains why Anthony used to be by no means cursed—he apologized to Vanessa as he ran away whereas Crystal and Cole did not). Crystal the child chick leaps out of Vanessa's palm and lands on a typewriter and kinds out an apology. That does little to sway Vanessa, so she then kinds out a thank-you notice to Vanessa for educating them the mistake in their ways. Vanessa is so hysterically chuffed over the gesture that she makes use of her magic to revert Crystal and Cole into humans. She deals them soda, as they're most likely parched from every little thing that is happened. Cole beverages his soda and belches. Crystal and Cole laugh, yet Vanessa stares stone-faced at them and whispers, "Pig pig."

OPINIONS: this can be received to be some of the most hilarious and unsaved goosebumps i've got ever read. The plot is e treacly a ways fetched yet there's a first-class plot in the back of the tale because it "encourages" or scares more youthful readers to makes use of manners which can make this booklet an outstanding device for folks to use. Stein hasn't rather created whatever specified and that i believe he was once operating out of principles i think this as there has been below 10 different unique sequence books written after this. To be sincere i have learn higher however it used to be very a laugh and that i was once gripped to determine easy methods to tale might end. i might provide this goosebumps 7/10 because of the wild plot and the thrill issue instead of scary.
