Models from Just 10 Easy Bases

Steve Biddle

In crucial Origami, paper-folding specialists Steve and Megumi Biddle display a remarkably accomplished and easy-to-use strategy to create dozens of extraordinary models. The most important to this new angle is learning simply 10 effortless base folds: the chicken Base, the Blintz Base, the Fish Base, the Frog Base, the Kite/Diamond Base, the Nappy Fold, the Pig Base, the initial Fold, the Waterbomb Base, and the Windmill Base. Development on those base folds enables numerous inventive inventions—from koala bears, Scottish terriers, antelopes, dragons, pandas, and planes with propellers, to multi-unit spheres, octagonal boxes, and different beautiful geometrical designs. In addition to greater than 1,000 step by step illustrations, crucial Origami includes worthy paper-folding tips, note-worthy trivia, and interesting reasons that light up the worlds of either old and modern origami. A compendium to please the beginner and the specialist alike, crucial Origami places centuries of noteworthy ideas at everyone's fingertips.
