Experiencing God: A Theology of Human Emergence

Donald L. Gelpi

initially released through the Paulist Press in 1978, this e-book makes an attempt to tricky a foundational theology which could interpret the adventure of Christian existence in all of its social complexity. Father Gelpi displays either on his own adventure in addition to the primary texts of the Christian religion. He examines the yank philosophical contributions of Edwards, Peirce, James, Dewey, Santayana, and Whitehead and their contribution to our Christian heritage. Co-published with the school Theology Society as a part of its Reprints in faith Series.
