FOREWORD BY HANS-GEORG GADAMER

From Hegel to Nietzsche: The Revolution in Nineteenth-Century Thought

Karl Löwith

starting with an exam of the connection among Hegel and Goethe, Löwith discusses how Hegel's students, fairly Marx and Kierkegaard, interpreted----or reinterpreted----their master's thought, and proceeds with an in-depth overview of the opposite vital philosophers, from Feuerbach, Stirner, and Schelling to Nietzsche.

This booklet used to be written in Japan through an exiled German thinker throughout the moment global battle and the load of From Hegel to Nietzsche: The Revolution in Nineteenth-Century Thought the 'ZeitGeist' pessimism and nostalgia are found in this work. This can be a whole and fascinating assessment of philosophical debates in Germany from the early years of Hegel to the loss of life of Nietzsche. This isn't in basic terms relating to the well-known people but in addition to obscure and forgotten people of those times. Instead of offering a narrative in series only, Karl Löwith organized additionally this learn through subject matters which offer a unique viewpoint concerning the German philosophy. If used to be astonished by means of a few discussions similar by means of K. Löwith and observe how also they are with regards to our current time. This repetition of subject matters and From Hegel to Nietzsche: The Revolution in Nineteenth-Century Thought conflicts in those earlier instances and this day exhibit how the philosophy is set the human situation and therefore, no longer "eternal", yet omnitemporal in addition to the human situation across the ancient variations. I can say: adaptations (human history) at the comparable theme (human condition). That is why through this booklet we will 'dialog' with our brothers in humanity across the time and space. Danke schön Karl Löwith für das Gross Buch. Ref.: this uncompleted article in Wikipedia http://en.wikipedia.org/wiki/Karl_L%C3%A4w%C3%ACh...
