

GREAT FORTUNE

DANIEL OKRENT

THE EPIC OF
ROCKEFELLER CENTER

"With characters worthy of a Dickens novel, a supremely gifted writer makes the greatest city on earth come elegantly alive."

—KEN BURNS

Great Fortune: The Epic of Rockefeller Center

Daniel Okrent

every little thing in regards to the belief and production of Rockefeller middle was once oversized and wildly improbable. introduced within the enamel of the worst melancholy in American history, the main formidable building venture because the Pyramids was once the accidental results of a Great Fortune: The Epic of Rockefeller Center philanthropic gesture long gone awry. but if it was once finished, John D. Rockefeller Jr.'s unintended experience redefined the very nature of recent York City. during this highly attractive book, famous journalist Daniel Okrent attracts on a intensity of unique examine and a huge take hold of of subjects-money, art, politics, business, social history-to inform the tale of ways Rockefeller middle rose within the middle of big apple to turn into the playground/laboratory/headquarters for the entire world's affairs. Okrent's lavish solid of singular characters is a who is Who of a glamorous age. Gertrude Vanderbilt, Otto Kahn, Henry Luce, Diego Rivera, Georgia O'Keeffe, even Benito Mussolini all play crucial, and infrequently unexpected, roles during this saga. yet on the middle of the tale are 4 outstanding individuals: John D. Rockefeller Jr., the timid son of the world's richest man, whose maximum accomplishment seems to be anything he had by no means intended; his son Nelson, who introduced his personal imperial profession by means of seizing keep an eye on of this substantial enterprise; the rude, vain, yet dazzlingly artistic real-estate genius John R. Todd; and Raymond Hood, a scamp, a provocateur, a drinker-and the best skyscraper architect the USA has ever Great Fortune: The Epic of Rockefeller Center known. Brilliantly weaving jointly a number of narrative strains and a wealth of historical detail, nice Fortune is an enormous tapestry of recent York in its first flush of world-dominating wealth and power.

I enjoyed this book!! I have constantly enjoyed Rockefeller Center, so whilst I discovered this booklet in a used book shop years ago, I used to be all over the place it. I began it, bought bogged down, and stopped no longer very some distance into it. So while I sat down with it back a pair months ago, I used to be determined. As I acquired going, the e-book sucked me in additional and more. whereas it really is certainly a dense account with plenty of characters, information, and history, I discovered myself studying a lot. Okrent has a expertise for making the heart come alive on your head. one can find the constructions emerging whereas the Rockettes are dancing within the Radio urban track corridor and New York's movers and shakers dine within the Rainbow Room. This booklet not just bargains a really special heritage of Rockefeller middle and the land upon which it stands (starting in Colonial New York), yet it is also a little bit a background of latest York urban itself. The e-book additionally comprises images of constructions in addition to a few of the key gamers and a birds-eye drawing of the heart from 1948 which will support illustrate and orient the reader. I could hugely suggest this booklet when you've got ever been to Rockefeller middle (or no less than realize it from one of many zillions of occasions it has been beamed into your dwelling room) and are curious as the way it all got here to be there within the first place.

Great Fortune The Epic Of Rockefeller Center
