# C.H.M.S. COCKEREL

AN ALAN LEWRIE NAVAL ADVENTURE

**DEWEY LAMB DIN**  
Author of *THE GUN KETCH* and *THE KING'S PRIVATEER*

---

## H.M.S. Cockerel (Alan Lewrie #6) by Dewey Lambdin

Dewey Lambdin

a brand new episode in an acclaimed H.M.S. Cockerel (Alan Lewrie #6) sequence follows Lieutenant Alan Lewrie to the bloody conflict for the French port of Toulon through the French Revolution--a conflict that incorporates an vague younger artillery brigadier named Napoleon Bonaparte.

many years in the past I "stumbled on" the Alan Lewrie books by means of Dewey Lambdin. Being an enormous fan of the Hornblower books those stuck my interest. i would by no means been capable of get into the Patrick O'Brian novels (though sooner or later i could try out again) yet those i discovered rather good...with one caveat. a few of you (by the H.M.S. Cockerel (Alan Lewrie #6) way) will most likely locate the part(s) of the books that annoy me your favourite half I suppose. Alan's love existence (or very likely "lust life") to me H.M.S. Cockerel (Alan Lewrie #6) takes clear of the novels. i love the "free play" with ancient fiction as "most" of the occasions stated within the books took place. i admire the ocean motion and the strategy. yet Lewrie's "amour" easily takes up area and slows the tale (in my view. i do know much most likely do not agree, LOL.). at any time when Alan is going ashore i am getting able to learn the gradual account of Alan and his erotic adventures. Now even if Alan H.M.S. Cockerel (Alan Lewrie #6) is married. I had cherished the books (overall) and dared to wish that now that our hero was once married he may be much less of a H.M.S. Cockerel (Alan Lewrie #6) hound. Alas, it was once to not be. Still this tale of the outlet pictures of H.M.S. Cockerel (Alan Lewrie #6) the arriving Napoleonic war(s) and the tale of Alan going again to sea after being ashore at part pay...pays off. certain Alan is until a rake and he nonetheless reveals companionship (view spoiler)[ although he does berate himself over it a bit. I suggest he does not suppose to blame adequate to stop H.M.S. Cockerel (Alan Lewrie #6) his activity. good to be reasonable he potential to yet whenever he tries...well, let's positioned H.M.S. Cockerel (Alan Lewrie #6) it this way. Alan can face up to whatever yet temptation. (hide spoiler)]. there are various enchanting sea battles, nice motion and a number of other actual people are drawn into the tale (one who couldn't in all probability were the place Mr. Lambdin areas him, yet in accordance with the writer himself, "it was once a gradual morning and he could not resist"). So, enjoy. whereas i will particularly in basic terms cross three stars as there are various H.M.S. Cockerel (Alan Lewrie #6) locations i used to be fairly prepared for the tale to maneuver on...what i admire i love very much.
