About Their Path to Jesus

I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus

Don Everts

How do humans come to Jesus in trendy postmodern culture? now not by way of a mechanical, linear means of cookie cutter conversions. Nor through a nebulous non secular wandering that by no means culminates in determination and commitment. during the I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus last decade, Don Everts and Doug Schaupp have listened to the tales of 2 thousand postmodern those who have come to stick to Jesus. whereas their tales are assorted and varied, yes universal issues emerge. Postmodern evangelism is a mysterious and natural approach that however is going via discernible phases, as humans move thresholds from mistrust to trust, from complacency to interest and from meandering to seeking. Everts and Schaupp describe the standards that impact how humans I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus shift of their views and turn into open to the Gospel. they supply sensible instruments to assist humans input the kingdom, in addition to directions for a way new believers can stay out their Christian faith.

a good ebook for Christians who're trying to 1) comprehend their very own religion trip yet 2) develop their skill to connect to non-Christians (I don't love that term, personally) in a extra meaningful/thoughtful way, whereas warding off many of the pitfalls linked to sure (many) sorts of evangelism. the fundamental aspect of the e-book is that there are specific steps that one needs to go through (trusting a Christian, turning into fascinated by Christianity and Jesus, being open to non-public lifestyles change, etc.). The authors make the convincing I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus aspect that attempting to strength somebody who's at one level to leap to a degree they don't seem to be but prepared for, can't simply thwart the journey, it may thoroughly flip that individual off. i discovered the phases - which were not simply anecdotal yet in response to interactions with actual humans coming to Christ (or not) - as in my view very actual to me by way of my very own Christian journey. as with all framework, the phases did not healthy me completely but, still, they have been beneficial in reminding me of my mind-set and, to that degree, very good in assisting me realize (I hope) the place others are of their journey. the best metaphors they give used to be of somebody maintaining a Dixie cup (the individual looking I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus faith) and one other (the Christian) attempting to unload a glass of water into that cup. Man, not just have I obvious that, i am responsible of it! i used to be so captivated I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus via this I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus booklet that I learn it in a single day (it's now not that long). yet i'm going to learn it back as there have been many I Once Was Lost: What Postmodern Skeptics Taught Us about Their Path to Jesus nuggets that were, again, either worthy in figuring out my own journey, and it making me extra acutely aware / delicate to the place others are of their personal religious quests.

I Once Was Lost What Postmodern Skeptics Taught Us About
