# In My Own Backyard

## In My Own Backyard by Judi Kurjian

Judi Kurjian

One morning a toddler gazes via a bed room window and watches as outstanding issues happen. The yard is reworked to bare what lived there hundreds, thousands, and thousands of years ago.

In my very own yard takes the reader on a trip again in time, all of the option to the Precambrian Era. The narrator is sitting in her room, looking her bed room window, whilst by surprise a dead ringer for her yard starts off to change. In My Own Backyard She sees settlers to the In My Own Backyard area, local peoples, then the Ice Age and beyond. there's additionally a geologic timeline behind the book. this can be a nice ebook to get little ones puzzling over what the realm has appeared like over the process billions of years, and will be a superb advent to any of those classes or to earth history.
