JIM THORPE (MAUCH CHUNK)

John H. Drury and Joan Gilbert

Jim Thorpe (Images of America: Pennsylvania)

John H. Drury

Mauch Chunk (Images of America: Pennsylvania) was once tested at the Lehigh River as a delivery depot for anthracite coal in 1818 by way of Josiah White, a Philadelphia Quaker and incredible engineer, and his depended on company partner, Erskine Hazard. by means of 1829, White and possibility had based the Lehigh Coal & Navigation corporation and outfitted an effective transportation procedure that Jim Thorpe (Images of America: Pennsylvania) moved coal 9 miles over the mountains to Mauch Chunk through Switchback Gravity Railroad, and forty-six miles alongside the Lehigh Canal to Easton. With the coming of the railroads, the Switchback turned an incredible vacationer attraction. As rail excursionists descended on Mauch Chunk to adventure a hair-raising trip on America's first curler coaster and revel in the awesome scenery, the coal transport town, billed via the railroads because the Switzerland of America, turned a vacationer vacation spot moment in attractiveness to Niagara Falls. In a narrative stranger than fiction, the city exchanged its identify for the identify of Jim Thorpe whilst the 1912 Olympic hero was once laid to leisure there in 1954. via a unprecedented number of photographs, Jim Thorpe (Mauch Chunk) tells the tale of the athlete and his burial, the Switchback Gravity Railroad, the Lehigh Canal, the social Jim Thorpe (Images of America: Pennsylvania) scene, and the town's Victorian legacy.

John H. Drury and Joan Gilbert, *Jim Thorpe (Mauch Chunk)* (Arcadia, 2001) Arcadia can provide one other slender tome excellent for the armchair traveller, this one in town referred to now as *Jim Thorpe, PA*. plenty of history, plenty of pictures. As with a lot of Arcadia's books, it does lack the thread of continuity that one unearths within the better of these, however the writing is useful and the photographs themselves are fascinating. solid stuff. ***
