Randy Garner, born and raised by means of blue-collar, God-fearing parents, unearths his real love. existence classes are discovered and milestones made. studying to be a husband and a father is not any effortless task. That job is amplified while medicines and household abuse are awarded within the picture. belief is abused from inside and outdoors the relations circle. Tragedy quickly moves from a meddling mother-in-law, unscrupulous friends, and abuses of power. lifestyles is going from close to common to dwelling hell in a brief time. One flip of fateful destructions results in another. Who and what is going to win within the end? Will addictions and abuse win or does love and relations triumph over all?
