
Misconceiving Canada

The
Struggle for
National
Unity

Kenneth
McRoberts

The book cover features a dark, atmospheric illustration of a cityscape at night. A prominent, tall, dark tower with a clock face stands in the center. To its right, a large, ornate building with a dome and spires is visible. The scene is overlaid with several large, translucent, teardrop-shaped elements in shades of purple and blue. The overall mood is somber and historical.

Misconceiving Canada: The Struggle For National Unity

Kenneth McRoberts

This e-book examines the connection among Quebec and the remainder of Canada, from its ancient roots, Misconceiving Canada: The Struggle For National Unity the jobs of governments akin to Trudeau and Mulroney, problems with respectable bilingualism, multiculturalism, the 1995 Quebec Referendum and the impression Quebec separatism could have at the way forward for Canada.
