# New England Milton by Kevin P. Van Anglen

Kevin P. Van Anglen

the hot England Milton concentrates at the poet's New England Milton position within the writings of the Unitarians and the Transcendentalists, specially Emerson, Thoreau, William Ellery Channing, Jones Very, Margaret Fuller, and Theodore Parker, and demonstrates that his reception via either teams used to be a functionality in their reaction as contributors of the recent England elite to older and broader sociopolitical tensions in Yankee tradition because it underwent the method of modernization. New England Milton For Milton and his writings (particularly Paradise Lost) have been themselves early manifestations of the ongoing hindrance of authority that later the dominant category and professions in Boston; and so, the Unitarian Milton, just like the Milton of Emerson's lectures or Thoreau's Walden, relatively obviously grew to become the car for literary makes an attempt by means of those authors to unravel the ideological contradictions they'd inherited from the Puritan past.

## New England Milton
