Photographs, Histories, and Meanings

Jeanne Perreault

images have formed public notion and social that means for the final 100 and fifty Photographs, Histories, and Meanings years or more. This assortment reexamines pictures and their social history, exploring the ideological, ethical, political, and aesthetic forces that inflect interpretation. The authors right here hint moving ancient contexts, intentional or unintended interpretive distortions, and ambiguous and a number of meanings. Collectively, they search to understand how photos should be believed, given our wisdom of the uncertainty of meaning. The Photographs, Histories, and Meanings individuals during this assortment think the histories they communicate are the tales of our lives. to understand the pictures is to understand ourselves—with all our ambiguities, distortions, and complexities on display.
