Rainbow pour Rimbaud by Jean Teulé

Jean Teulé

On n'est pas sérieux quand on a 36 ans, une queue de cheval rouge, une taille de géant et une armoire pour couche de prédilection. Robert vit à Charleville-Mézières, chez ses parents. Comme d'autres connaissent toutes les paroles de leur chanteur Rainbow pour Rimbaud préféré, Robert sait tout Rimbaud. Par coeur. Isabelle, standardiste à l. a. SNCF, ne sait encore rien de Rimbaud, rien de l'amour, ni rien du monde. Un doux colosse nommé Robert, échappé de Charleville, les lui révélera. Entre Le Caire, l'île Maurice, Dakar et Tarrafal, ces deux-là brûleront d'amour et de poésie. Vagabonds célestes, amants absolus, ils laissent à jamais sur le sable et sur les âmes les anges de leurs semelles de vent. Enfin, leur odyssée chic confirmera le mot du poète, tatoué sous le nez même de Robert : Je est un autre... Je est Rimbaud.

Jean Teulé a mis toute sa poésie pour raconter l'aventure initiatique de deux personnages marginaux. Le tout est un hommage vivant à l'ange douce folie de Rimbaud. Esprits "terre à terre" s'abstenir : il faut savoir lire entre les lignes ... En revanche, les amateurs de type seront comblés !
