# Ritualizing the Disposal of the Deceased: From Corpse to Concept

William W. Ritualizing the Disposal of the Deceased: From Corpse to Concept McCorkle Jr.

"Ritualizing the Disposal of the Deceased" strains mortuary habit from the early fossil checklist to fashionable non secular contexts in diversified cultural settings. through the use of archival and ethnographic facts from Buddhist traditions, the writer highlights the disparity among doctrines that contradict genuine practices played by way of Buddhists themselves. by way of beautiful to the advanced cognitive structure of human minds, this ebook argues that ritualized disposal habit is the spinoff of psychological structures designed to address dwelling people. as a result of complicated social intelligence, people are pressured to deal with lifeless humans in ritualized behaviors and to symbolize them in counterintuitive ways. the writer additionally examines the pro spiritual guilds that experience taken good thing about those ritualized compulsions during the last a number of thousand years, by means of giving and controlling the meanings in the back of those actions. Furthermore, experimental facts is given to aid this hypothesis, supplying the 1st mature cognitive and evolutionary concept for mortuary habit through humans.
