

#1 INTERNATIONALLY BESTSELLING AUTHOR

SANTA MONTEFIORE

"Nobody does epic romance like Santa Montefiore. Everything she writes, she writes from the heart." —JOJO MOYES, author of *Me Before You*

The French Gardener

The French Gardener by Santa Montefiore

Santa Montefiore

A overlooked garden. A cottage that holds a secret. A mysterious and good-looking Frenchman. organize to be “spellbound through the sheer charm” (Daily Express, UK) of Santa Montefiore’s soft and strong novel approximately passion, loss, and the therapeutic strength of love. It starts off as Miranda and David Claybourne movement right into a state condo with a once-beautiful garden. yet fact seems to be very various from their dream. quickly the latent disappointment within the kinfolk starts to return to The French Gardener the surface, keeping apart every one friend in a bubble of resentment and loneliness. Then an enigmatic Frenchman arrives on their doorstep. With the knowledge of nature, he slowly starts off to heal the prior and the present. yet who's he? whilst Miranda reads approximately his previous in a diary she unearths within the cottage by way of the garden, the total kinfolk learns garden, like love itself, can repair the human spirit, not only season after season, yet iteration after generation. clever and winsome, poignant and powerfully moving, The French Gardener is a latest tale advised with an old style sensibility steeped within the significance of kin and the paranormal The French Gardener strength of love.

Suzanne Donahue reviewed The French Gardener on OfftheShelf.com. Love in an English Manor by way of Suzanne Donahue In the hallway I stroll down on a daily basis to and from my workplace there's a bookshelf the place humans placed copies of books they don't need. There are cabinets like that on each flooring within the development and whilst traveling different departments you could occasionally locate books you haven't learn and also you get to take them home. it really is like a unfastened bookstore. that's how i discovered The French Gardener via Santa Montefiore. I love romance novels, gardening, good-looking mysterious strangers, and something to do with England and France. Throw in thwarted love, a mysterious notebook, a dishonest husband, a egocentric lady studying to love, a grand manor house, and quirky small-town characters and also you had me at hello. The French Gardener tells the story of 2 ladies who reside within the related condo yet thirty years apart. One, Ava Lightly, is an avid gardener, mother, and well-loved neighborhood who, with assistance from a tender Frenchman her husband pushes on her as check for a company debt, turns the gardens of Hartington residence from not anything to showstopping. the opposite woman, in current day, is Miranda Claybourne, a loving, yet spoiled woman, who has been relocated from her liked London of purchasing and events to the backwoods of Dorset simply because her son, Gus, has been kicked out of yet one more tuition and so they The French Gardener have to locate someplace he's not known. Miranda is the type of girl who's overwhelmed—not in a superb way—at the concept The French Gardener of constructing greater than fish sticks for her children's dinner. the tale particularly starts whilst her husband, David, who spends the week in London at his high-powered banking job, tells her she The French Gardener wishes a cook, housekeeper, and gardener and Miranda heads into city to discover them. Montefiore manages to get 3 or 4 awesome tales instructed on the related time, and every tale is as wealthy as a whole book. there's the mysterious French gardener who indicates as much as aid Miranda carry Ava's gardens again to lifestyles after years of neglect; there are the various and The French Gardener beautifully drawn neighborhood characters, each one of whom weaves their

magic on Miranda and the reader; there's the tale of Ava and her kin and what she sacrifices to guard them; and there's the tale of the The French Gardener Claybournes The French Gardener who've misplaced their means and nearly lose every one other. At the guts of the tale are Miranda—whose blossoming from got rid of socialite to hot neighborhood is so refined and genuine you fall in love together with her the best way the townspeople do—and Ava's garden, which opens hearts and sustains generations via its enduring beauty. i didn't bet the top of this tale in The French Gardener any respect and relished each aspect Montefiore gave me in regards to the condominium and the backyard and the people. What a thrill it really is to The French Gardener discover and fall in love with an writer who has written a couple of book. i can't wait to get my arms The French Gardener on Santa Montefiore's different novels. those are the type of books that you really want to provide your self as a treat: a comfortable chair, a tumbler of wine, and a visit at any place she desires to take you since you understand the adventure and the folk you meet may be wonderful.
