## Wilkie Collins

Wilkie Collins used to be an English novelist, poet, and playwright writing within the mid nineteenth century. His writing was once extremely popular together with 27 novels, 50 brief stories, 15 performs and over a hundred poems. His best-known works have been the girl in White, The Moonstone and Armadale. Collins was once tremendously prompted by way of his buddy Charles Dickens. . within the New Magdalen Collins assaults the attitudes of society towards the fallen woman. The yr used to be 1870, which was once the time of the warfare among France and Germany. The characters within the tale are Captain Arnault, of the French army; health care professional Surville, of the French ambulance corps; health care professional Wetzell, of the German army; Mercy Merrick, connected as nurse to the French ambulance corps; and beauty Roseberry, a touring girl on her option to England.

Ça y est, j'attaque Wilkie Collins en VO ! the recent Magdalen est disponible en français chez Phébus, sous le titre harlequinnesque de ardeur et repentir. Un assez court docket roman qui The New Magdalen rompt un peu avec le reste de son œuvre. L'intrigue est simple, et démarre en 1870 quelque half en France, durant los angeles guerre franco-prussienne, au milieu des combats. Deux anglaises se retrouvent dans le même shelter pour l. a. nuit. Mercy Merrick, infirmière dévouée et Grace Roseberry, jeune orpheline ruinée mais bien née qui rejoint sa terre natale pour entrer au provider d'une parente en tant que dame de compagnie. Mercy traîne derrière elle une vie chaotique, ce n'est pas une mauvaise fille, mais los angeles probability ne lui a pas franchement souri et elle n'a pas beaucoup de point of view d'avenir. Grace, bien que récemment orpheline et sans le sou, a l'espoir d'être recueillie par une parente éloignée en Angleterre. Las ! Un obus tombé au mauvais endroit va changer le cours des choses, et précipiter Mercy Merrick dans une suite d'événements dont elle perdra le contrôle. Un mauvais choix fait lors d'une minute de tentation qui sera lourd de conséquences et bouleversera sa vie. Collins nous présente ainsi ses deux héroïnes, puis nous propulse subitement en Angleterre, chez woman Janet Roy et sa compagne Grace Roseberry. Cette dernière n'est pas celle que tout le monde croit, mais a sa position dans le monde en tant que fille adoptive de woman Janet, et s'apprête à épouser Horace Holmcroft, l'officier qui l'a évacuée du front. Tout irait donc pour le mieux pour Mercy alias Grace, sans les remords qui l. a. rongent, et le retour inattendu de los angeles véritable Grace, pas si morte que cela. À travers des chapitres bien découpés, Collins nous suggest un roman qui a des allures de pièces de théâtre. Le rythme est plus que soutenu, los angeles rigidity palpable et permanente. Des portes s'ouvrent, se ferment, des personnages s'isolent, des conciliabules se succèdent, on se cache, ou on se dévoile avec ostentation. Nous ne sommes pourtant pas dans un vulgaire vaudeville, l'angoisse de l'héroïne est omniprésente, ses remords communicatifs et sa personnalité très attachante. L'usurpatrice bénéficie étrangement d'un capital sympathie très élevé, tandis que sa « victime » ne tarde pas à trahir sa personnalité, et se montre finalement moins noble de cœur et d'esprit que Mercy. The New Magdalen start alors pour Mercy un wrestle intérieur entre son intérêt et sa conscience, l'amour et l. a. moralité, l. a. justice et l'injustice. Le crime pourra-t-il être pardonné ? Faut-il le confesser pour faire justice à une victime odieuse et arriviste The New Magdalen ? L'amour d'Horace et l'affection maternelle de woman Janet sont-ils acquis à Mercy, alors qu'ils auraient pu échoir à l. a. vraie Grace ? Autant de questions qui tiraillent los angeles moral sense et los angeles cœur de Mercy, soutenue malgré tout par le conseil et l'empathie d'un mentor providentiel, persuadé que l. a. rédemption est universelle. Moins

alambiqué et fouillé que les autres romans plus connus de Collins, the hot Magdalen fonctionne presque en huis-clos, sur un laps de temps assez court, où tout doit se décider rapidement. Il n'en est pas moins passionnant, motor vehicle il est difficile de le lâcher tant le destin de Mercy préoccupe le lecteur ému par une telle grandeur d'âme. very unlikely d'éviter les scènes de larmes, d'évanouissement et d'hystérie (nous sommes je le rappelle au XIXe siècle et los angeles femme est encore une faible créature qui s'exprime comme elle le peut dans une époque rigide qui l. a. chosifie cruellement), Collins met le paquet, l'émotion est à son comble, les coups de théâtre aussi. Un régal donc, vous l'aurez compris.
