# The Politics of Mirth: Jonson, Herrick, Milton, Marvell, and the Defense of Old Holiday Pastimes

Leah Sinanoglou Marcus

"Leah Marcus's *The Politics of Mirth: Jonson, Herrick, Milton, Marvell, and the protection of previous vacation hobbies* is an interesting research of why James and Charles promoted a few forms of rural game and pageant and of the way convinced literary texts participated in selling or critiquing royal policy. . . . Marcus provocatively hyperlinks texts hardly ever studied together with one another, and he or she presents powerful and distinct readings of these texts."—Jean E. Howard
