The Story of Julia Page by Kathleen Thompson Norris

Kathleen Thompson Norris

a singular through Kathleen Thompson Norris, who used to be an American novelist, and spouse of fellow writer, Charles Norris whom she wed in 1909. She used to be trained in a different direction within The Story of Julia Page the collage of California and wrote many well known romance novels that a few thought of sentimental and sincere of their prose. Norris used to be the highest-paid lady author of her time, and plenty of of her novels are held in excessive regard today. lots of her novels have been set in California, quite the San Francisco area. They function unique descriptions of The Story of Julia Page the upperclass lifestyle. Her works comprise mom (1911), the wealthy Mrs. Burgoyne (1912), Poor, pricey Margaret Kirby (1913), The Treasure (1914), Saturday's baby (1914), the guts of Rachael (1916), Martie the Unconquered (1917), Josselyn's spouse (1918), Harriet and the Piper (1920), The loved girl (1921), Beauty's Daughter (1935), tailored for the 1935 movie army Wife, Over on the Crowleys (1941), and The Maiden Voyage (1942).

half Louis may well Alcott, half English romantic novel, this booklet reads within the twenty first century on a number of levels. you'll be able to be appalled by way of the moralizing, slender view of the imbalance in gender equity, or possible take middle on the ahead considering brain and center of Julia web page and her judgements made ultimately of selection instead of custom. Also attention-grabbing interpreting as juxtaposed to Maya Angelou's biographies which partially surround a distinct part of the road in San Francisco of a similar era. Recommended!
