Georges Simenon

Oscar, vingt-cinq ans, fils d'une grande famille laminée par un drame, arrive à Papeete pour, croit-il, s'isoler dans une nature vierge des hypocrisies Touriste de bananes du monde. Il est un «touriste de bananes», l'un de ces idéalistes méprisés des Blancs locaux et que l'on retrouve un jour desséché dans l. a. jungle. À Tahiti comme ailleurs, on s'arrange, on s'amuse, on trahit et l'on raille. Des hommes tuent, d'autres meurent. Oscar qui fuyait va croiser son destin. Il se trouve dans une chambre, près d'une femme, au Relais des Méridiens...Le roman Touriste de bananes prolonge los angeles tragique saga de l. a. famille Donadieu, richissimes armateurs de l. a. Rochelle, entamée dans Le testimony Donadieu.

Romanzo di (tentato) superamento. Le determine femminili, importanti di riflesso non sono, udite udite!, né spregevoli prostitute né donne angelicate ma semplice umanità. Il nostro eroe, un marcantonio che brucia l. a. sua giovinezza nel tentativo di scrollarsi l'eredità e il nome di famiglia assieme all'aterrante senso di inadeguatezza che loopprime sin da bambino. Non essendo ancora in voga dispreziare il simile o de preferirgli l'animale è l'immersione radicale nella natura caraibica il medium consistent with svellere i lacciuoli carnali e al contempo dimostrare los angeles propria tempra. Compito fallimentare e ingrato di cui il lettore è reso cognito sin dall'inizio. Il romanzo sviluppa magistralmente il "come", sono al tragico epilogo. Profonda e del tutto acritica l. a. rappresentazione dei personaggi, minori e non, in un mirabile e dolente affresco delle Antille francesi, in cui l. a. vita scorre uguale in line with trecentosessantacinque giorni l'anno. Non noir ma sociologia in forma di romanzo è un piccolo gioiello dal cupo splendore.
