Urban Policy Issues: Canadian Perspectives

Edmund Fowler

together with new and unique readings, this assortment examines how Canadian municipal governments have answered to a few of the main primary alterations to the municipal method seeing that its origins within the 19th century. It specializes in problems with housing, transportation, and public health, charting present adjustments comparable to the expansion in dimension and scope of municipalities and pointing to a rise in strength of municipal governments. whereas it's not likely that provincial governments will ever officially accede any direct coverage making powers to the municipalities, the editors finish that those adjustments suggest the neighborhood governments will steadily receive a de facto prestige as actual policy-making bodies.

Urban Policy Issues Canadian Perspectives
